Incredibly honored to be recognized and selected for the Infosys Platinum Club FY27. 🏆 ... more

Dear Infosion,

Heartiest congratulations on your induction into the Platinum Club for FY27!

Your selection reflects a level of performance and professional distinction achieved by only a select group of Infosions. With sustained impact, strong digital capability, and the deep trust of your Unit leadership, you have distinguished yourself among the very best in the organization.

In the coming year, the Platinum Club will offer you access to thoughtfully curated opportunities including advanced learning, meaningful assignments, differentiated resources, and platforms that further enhance your visibility and impact. We hope these experiences both

I'm happy to share that I'm starting a new position as Digital specialist engineer L1 at [Infosys](#)!

challenge and support you as you continue to raise the bar for yourself. As a privileged Platinum Club member, you may also receive priority consideration in select career and reward programs. We trust that you will leverage these opportunities to further accelerate your professional journey and broaden your contribution to Infosys.

Over the coming months, beginning with the Platinum Club orientation, you can expect a range of engagements and communications designed to shape a meaningful and rewarding Platinum Club experience. Your Unit leadership teams will partner with you through the year to enable your continued growth. For any questions, please feel free to reach out to your Unit HR SPOC.

At Infosys, our talent transformation agenda is anchored in meritocracy, and the Platinum Club brings together colleagues whose performance and future-ready capabilities are shaping what comes next for the organization. So, once again, congratulations on this well-deserved distinction. We are proud to count you among this exceptional group and look forward to the continued as you will create for Infosys.

Regards,
Sushanth Tharappan
Head HR - Infosys Limited
